HOOFLAND'S GERMAN BITTERS,
AND
Hoofland's German Tonic.
THE GREAT REMEDIES
FOR ALL DISEASES OF
THE LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or as they are medically termed, *Extracts*) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixture of any kind.*

HOOFLAND'S GERMAN TONIC

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoholic admixture, will use

Hoofland's German Bitters.

Those who have no objection to the combination of the Bitters, as stated, will use

Hoofland's German Tonic.

They are both equally good, and contain the same medical virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing with it does with the stomach, then becomes affected, the result of which is that the patient suffers from several or more of the following diseases:—

CONSTIPATION, FLATULENCE, INWARD PILES, FULLNESS OF THE BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEART-BURN, DISGUST FOR FOOD, FULLNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED OR DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT, DULL PAIN IN THE HEAD, DEFICIENCY OF PERSPIRATION, YELLOWNESS OF THE SKIN AND EYES, PAIN IN THE SIDE, BACK, CHEST, LIMBS, ETC., SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH, CONSTANT IMAGININGS OF EVIL, AND GREAT DEPRESSION OF SPIRITS.

The sufferer from these diseases should exercise the greatest caution in the selection of a remedy for his case, purchasing only that which he is assured from his investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known remedies—

HOOFLAND'S GERMAN BITTERS
AND
HOOFLAND'S GERMAN TONIC,
PREPARED BY *DR. C. M. JACKSON,*
PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies known to the public.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Diseases of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach, or Intestines.

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, induced by Severe Labor, Hardships, Exposure, Severe, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is relished, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom will appear on the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of these BITTERS, or the TONIC, an elixir that will instil new life into the veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health, or to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To this class of persons the BITTERS, or the TONIC, is especially recommended.

WEAK & DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietors, but space will allow of the publication of but few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,

Chief Justice of the Supreme Court of Pa., writes:

Philadelphia, March 16, 1867.

"I find 'Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours truly,

GEO. W. WOODWARD."

Hon. James Thompson,

Judge of the Supreme Court of Pennsylvania.

Philadelphia, April 28, 1868.

"I consider 'Hoofland's German Bitters' a *valuable medicine* in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,

JAMES THOMPSON."

From Rev. Joseph H. Kenhard, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a view to proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail, but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eighth, below Coates St.

From Rev. E. D. Fendall,

Assistant Editor Christian Chronicle, Philada.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or from diseases arising from derangement of the liver. Yours truly,

E. D. FENDALL.

CAUTION.

Hoofland's German Remedies are counterfeited. See that the signature of C. M. JACKSON, is on the wrapper of each bottle. All others are counterfeit.

Washing machines have so generally proved failures that I am afraid of throwing away my money upon one.'"

Horatio Seymour—Next President.

A DOUBLE ACROSTIC.

He is our choseN chieftain; he shall lead
O'er victor-fiElds the country to success;
Reduce the taXes, save us in our need,
And, making greaTer freedom, make laws less.
That trust we Place to him, nor doubts nor fears
Invade our perfect faith. We know this man
On whom the wid'Ening circles of the years
Shed larger lustre. Let the critic scan
Each act of his whole life with sharpest ken,
Yet shall he find no flaw; he is, indeed,
Most earnest, gEnerous, kindly of all men.
Oh, worthy, couNtryman, I pray give heed;
United in thaT common object stand—
Record your votes for him, and voting save your land.

THE SECRET OF ELOQUENCE.—I owe my success in life to one single fact, viz: That at the age of twenty-seven I commenced, and continued for years, the process of daily reading and speaking upon the contents of some historical and scientific book. These offhand efforts were made sometimes in a corn field, at others in a forest, and not unfrequently in some distant barn, with the horse and ox for my auditors. It is, to this early practice, in the great art of all arts, that I am indebted for the primary and leading impulses that stimulated me forward, and shaped and modelled my entire subsequent destiny. Improve then, young gentlemen, the superior advantages you here enjoy. Let not a day pass without exercising your powers of speech. There is no power like that of oratory. Cæsar controlled men by captivating their affections, and swaying their passions. The influence of the one perished with its author; that of the other continues to this day.—*Henry Clay.*

A MASONIC PIN.—A good story is told of a confident individual, evidently well "read up" in the mysterious, who applied at the reception room of a Boston Masonic Lodge for admission. An eminent brother, who was quietly sitting there, but who made no sign that he was anybody, requested the stranger to be seated and he would send in for proper persons to examine the credentials of the visitor.

"O, it's no matter about that; I'm all right," said the applicant, making sundry extraordinary passes with his hands, and contortions of visage.

"That may be, but I think they always examine strangers who desire to visit the lodge," said the attending brother.

"Well, I'm ready for 'em," said the visitor, confidently

"Glad to hear it—that is quite an elaborate breastpin you have there," said the other, looking with some interest at a big gilt letter G, which the visitor had conspicuously displayed upon his shirt bosom.

"Ya-as, that's a Masonic pin," replied the wearer, swelling out his breast.

"Indeed! Letter G—well, I suppose you know what that means?"

"O, yes—certainly—letter G—*stands for Jerusalem*—a sorter headquarters of us Masons, you know."

The querist didn't know it, and the applicant, it is almost unnecessary to state, did not get any further into the lodge.

MAKING IT PLAIN.—The preacher at the African Church at Frankford, recently, was telling his congregation about Moses crossing the Red Sea; and, to make his description quite plain, illustrated it as follows: "S'pose you's de children of Israel, and I's Moses; Jarsey is de Wilderness, and Bridesburg de Promised Land. Well, I brings you down to de ribber, and waves my hand up towards Tacony, and de waters roll backward towards Philadelphy, and we all goes over widout gittin' wet. When de las' pickininny gets over I waves my hand towards Philadelphy, and I waves my hand towards Tacony, and de waters r-o-l-l-s back toward Tacony—*and dey was fishin' for shad dare de nex' mornin'!*"

A WITNESS in court who had been cautioned to give a precise answer to every question, and not to talk about what he might think the question meant, was interrogated as follows:

"You drive a wagon?"

"No, sir, I do not."

"Why, man, did you not tell my learned friend so this moment?"

"No, sir, I did not."

"Now, sir, I put it to you on your oath, do you not drive a wagon?"

"No, sir."

"What is your occupation then?"

"I drive a horse, sir."

A GERMAN applied to Judge S—— to be removed from sitting as juryman.

"What is your excuse?" asked the Judge.

"I cannot speak English," he replied.

"You have nothing to do with speaking," said the judge.

"But I cannot even understand good English."

"That's no excuse," said his honor. "I am sure you are not likely to hear good English at this bar."

A WESTERN editor relates a story of a man who bought a lot of hogs in Illinois and drove them slowly to Chicago. He was compelled to sell at a loss of $400. Returning home he was asked by his neighbors what were the profits of the operation.

"Well," said he, "reckon I didn't make much money out of the trip, but I had the company of the hogs down."

A MODEST young lady on Third street, recently nurtured a repugnance for the word limbs; said it was vulgar, and fearing that she might some day have to use it, wrote to an editorial friend, requesting him to mention a more delicate synonym. Imagine her consternation upon receiving the laconic reply—legs.

NOT long since, a gentleman telegraphed to a friend, at Cleveland, an interesting family affair as follows: "Sarah and little one doing well." The telegram reached its destination and read thus: "Sarah and litter are doing well." The recipient telegraphed back the startling query: "For Heaven's sake, how many?"

A RURAL cotemporary, in an obituary notice of a friend, says: "He was all that those who know him best could wish. He left behind him a blessed memory, and seven thousand dollars in Government bonds."

"A SON that shines for all"—the young bootblack.

GOVERNOR SEYMOUR'S LETTER OF ACCEPTANCE.

The Views and Policy of the Eighteenth President of the United States.

UTICA, N. Y., August 4, 1868.

GENTLEMEN: When, in the City of New York on the 11th of July, in the presence of a vast multitude, on behalf of the National Democratic Convention, you tendered to me its unanimous nomination as its candidate for the office of President of the United States, I stated I had no words "adequate to express my gratitude for the good will and kindness which that body had shown to me. Its nomination was unsought and unexpected. It was my ambition to take an active part, from which I am now excluded, in the great struggle going on for the restoration of good government, of peace and prosperity to our country. But I have been caught up by the overwhelming tide which is bearing us on to a great political change, and I find myself unable to resist its pressure. You have also given me a copy of the resolutions put forth by the Convention, showing its position upon all the great questions which now agitate the country. As the presiding officer of that Convention, I am familiar with their scope and import; as one of its members, I am a party to their terms. They are in accord with my views, and I stand upon them in the contest upon which we are now entering, and shall strive to carry them out in future, wherever I may be placed, in political or private life."

I then stated that I would send you these words of acceptance in a letter, as is the customary form. I see no reason, upon reflection, to change or qualify the terms of my approval of the resolutions of the Convention.

I have delayed the mere formal act of communicating to you in writing what I thus publicly said, for the purpose of seeing what light the action of Congress would throw upon the interests of the country. Its acts since the adjournment of the Convention show an alarm lest a charge of political power will give to the people what they ought to have—a clear statement of what has been done with the money drawn from them during the past eight years. Thoughtful men feel that there have been wrongs in the financial management, which have been kept from the public knowledge. The Congressional party has not only allied itself with military power, which is to be brought to bear directly upon the elections in many States, but it also holds itself in perpetual session, with the avowed purpose of making such laws as it shall see fit, in view of the elections which will take place within a few weeks. It did not, therefore, adjourn, but took a recess, to meet again if its partisan interests shall demand its reassembling. Never before in the history of our country has Congress thus taken a menacing attitude towards its electors. Under its influence some of the States organized by its agents are proposing to deprive the people of the right to vote for Presidential electors, and the first bold steps are taken to destory the rights of suffrage. It is not strange, therefore, that thoughtful men see in such action the proof that there are with those who shape the policy of the Republican party, motives stronger and deeper than the mere wish to hold the political power; that there is a dread of some exposure which drives them on to acts so desperate and impolitic.

Many of the ablest leaders and journals of the Republican party have openly deplored the violence of Congressional action, and its tendency to keep up discord in our country. The great interests of our Union demand peace, order, and a return to those industrial pursuits without which we cannot maintain the faith or honor of our Government. The minds of business men are perplexed by uncertainties. The hours of toil of our laborers are lengthened by the cost of living made by the direct and indirect exactions of

LETTER OF ACCEPTANCE.

Governor Seymour's letter accepting the Democratic nomination for the Presidency will be found on our first page. It is a clear, straight-forward document, with the ring of the pure metal throughout.

The aggressions of the Radical party are portrayed with a master hand. The Reconstruction policy is exposed in all its wanton violations of the liberties of the people. The position of the Southern carpet-bag Representatives is reviewed, and their impudence and demagogueism rebuked. The moderate Republicans who have long been disgusted with the violence of the Radical leaders, are appealed to, to come to the support of the Constitution in this hour of its trial. The soldiers of the late rebellion are earnestly urged to assist now by their ballots to completely establish a Union they have so well defended by their arms.

Democrats of the county and State, let us forward in solid column to the good work, and not rest until the glorious principles which this letter so ably defends shall be vindicated in November!

GLORIOUS KENTUCKY!

The Democratic gains in 85 counties of Kentucky foot up 40,494! The estimated gains in the remaining counties will swell Governor Stevenson's majority in the State to but little, if any, short of NINETY THOUSAND!!! This is an unparalleled victory, and starts the ball for a magnificent triumph throughout the Union in November.

A week before the election, the Louisville *Journal*, in an article headed "Kentucky to Pennsylvania," appealed to the Democrats in that State to go to the polls and vote, and thus send a thrill through the hills and valleys of the old Keystone; that Pennsylvania would go for the Democratic nominees at all events; but that a cheering sound from Kentucky would help to swell the October majority, and thus tell in every State in November.

Kentucky *has* spoken, and sent out her bugle blast of NINETY THOUSAND for the cause of right and justice. Pennsylvania hears and heeds the voice, and will respond in trumpet tones in October and November. All hail, Kentucky! The Keystone greets you!

MONTANA, TOO!

The tide of victory still rolls on. Distant Montana comes thundering along with two thousand Democratic majority, and swells the chorus of victory for the Union and the Constitution. Couldn't the Legislatures of Vermont and Maine assemble and fix the elections in those States at an earlier day, so that the Radicals may have something to feel good over? If they don't carry an election soon, they will have to disband.

Out for Seymour and Blair, and the whole Democratic Ticket.

The *Daily Republic*, published at Pittsburg, a Workingmen's organ, has hoisted the names of Seymour and Blair, Boyle and Ent, &c. That's the way the workingmen generally are going.

The Greensburg, Indiana, *Expositor*, heretofore a Radical Abolition sheet, has declared for Seymour and Blair. It says that "the German Republicans of Indiana are abandoning that party by thousands and enrolling themselves among the supporters of Seymour and Blair." They see how the wind blows and act wisely.

THE Hon. Judge Mellon, of Pittsburg, has joined hands with the Democrats and is enthusiastic in his support of Seymour and Blair.

THE enthusiasm which attends General Grant in his movements through the West, may be ascertained from the following special telegram to the Philadelphia Press:

ST. LOUIS, July 30.—General Grant arrived here last night, and left for his farm this morning.

COUNTY TICKET.

The ticket nominated by the Democratic County Convention, on Monday last, will be found in its proper place, under our mast-head. That it is a strong one—unexceptionable from top to bottom—is conceded with a degree of unanimity quite unusual. Nor could it easily have been otherwise, with so much good material to select from. All the names presented had merit, and the question was not who to reject, but who to prefer among so many entitled to consideration.

The Convention addressed itself to its work in the proper spirit. Good feeling prevailed throughout, and when the deliberations closed, general satisfaction was expressed by the delegates and the large number of Democrats assembled to witness the proceedings.

Wm. McClean, Esq., of this place, was nominated by acclamation for Congress—subject to the decision of the district conference. He is thoroughly educated—well read as a lawyer—and fully alive to the importance of the issues involved in the campaign. Should he be selected as the candidate, and endorsed by a majority of the voters of the district, he would soon take rank among the most effective members and debaters in the National House of Representatives.

For the State Senate, Joseph P. McDivit, Esq., of Liberty township, was also chosen by acclamation—subject to the decision of the Senatorial conferees. "Honest and capable," in the full sense of the term—thoroughgoing in everything he undertakes—should he be nominated and elected, there would be no risk in the prediction that his course would be alike creditable to himself and the district.

For the Lower House, Dr. A. B. Dill, of Petersburg, was selected. He, too, is admirably fitted for legislative duties. Upright, well cultivated, and pleasant in manner, he could not fail to become popular among his fellow members, and therefore influential and serviceable to his constituents.

Jacob Melhorn, Esq., of Mountpleasant, the nominee for Prothonotary, is one of the most unexceptionable gentlemen in the county. No man can stand higher in public esteem than he. He is, besides, well qualified for the post, and would discharge its important duties to the satisfaction of everybody.

Col. Joseph J. Kuhn, of East Berlin, was selected for Associate Judge. Few men could be better fitted for the station. With much general intelligence, and strong conscientiousness, he would make a most useful and impartial Judge.

Wm. A. Duncan, Esq., of this place, the candidate for District Attorney, served a term in that capacity before, and his unanimous re-nomination on Monday may be accepted as a genuine compliment to his efficiency and ability.

For County Commissioner, Moses Hartman, Esq., of Mountjoy, was also selected without opposition. He is a very intelligent and successful farmer, of first class business qualifications—and a heavy tax-payer. No one could fill the office better or more to the interests of the people.

Benjamin Deardorff, of Franklin, would make an excellent Director of the Poor—none better. An extensive farmer, (who knows what it is to pay heavy taxes,) with strong practical judgment, he would fill the place in every way acceptably.

Capt. E. G. Heagy, of Straban, the nominee for Auditor, is a good accountant, and of unimpeachable integrity. He would audit the public accounts faithfully.

Jesse D. Keller, for County Surveyor, closes the ticket. Though last, he is not least in worth or capacity. Well grounded and experienced in his profession, he would fill the office admirably.

Such is the ticket. It has not only the merit of representing correct principles, but is strong in itself, and has therefore a double claim upon popular approval.

Fellow Democrats, *now to work!* Our enemies, always on the look out for "spoils," will leave no effort untried to compass our defeat. We *can* win by a majority high up in the hundreds—higher than ever. The tide is with us. Let us, ALL, TO A MAN, resolve to improve the golden opportunity, and give Radicalism in Adams county its death-blow.

WE MUST HAVE A CHANGE.

The cry comes up from one end of the country to the other and meets an echo in the breast of every voter who has the good of the country in view, that we must have a change of officers in every department of the Government. The farmers demand a change; the merchants demand a change; the laboring people everywhere demand a change; the tax-payers demand a change; the lovers of the Constitution demand a change; the white people say they must and will have a change of administration. Matters cannot be made worse. They must be made better by any change. Let the people all unite in one universal demand for a change. Let them through the press, on the stump, on the street, on the highways and on the byways, in the market, on sea and on land, demand a change and demand it in tones not to be misunderstood.

CHANGES IN OHIO.—At a Democratic meeting in Fayette county, Ohio, on Saturday week, the principal speakers were Judge R. M. Briggs and Col. John M. Connell. Both these gentlemen have heretofore been staunch Republicans, but they cannot sanction the usurpations, the corruption and the unparalleled extravagance of the Radical Congress, which styles itself the Government. All over the country the same thing is going on; everywhere many of the more honest Republicans are pledging themselves to support Seymour and Blair. Grant will be beaten worse than Scott was, if there is no abatement in the tide of popular feeling.

LEAVING THE FOUL PARTY.—At the last meeting of the Seymour Club in Media, Delaware county, this State, J. M. Borrell, Esq., who had been elected Secretary of the Grant Club at that place, signed the roll of the Democratic Club, renounced all connection with the Radical party and made an eloquent speech in favor of the election of Seymour and Blair. Many other changes have occurred in Media. Honest men are "coming out from among the foul party" all over the State, and in October there will be a general stampede. The doors are still open.

PRENTICE says that if flesh is grass we shall have, after mowing the Radicals in November, a tremendous crop of hay.

THE PUBLIC DEBT.

Startling Increase!—Tax-payers, Reflect!

According to the official statement of the Secretary of the Treasury, the debt of the nation has increased THIRTEEN MILLIONS TWO HUNDRED AND EIGHTY-EIGHT THOUSAND FIVE HUNDRED AND NINETY-THREE DOLLARS AND NINETY-FIVE CENTS IN TWO MONTHS. This is no "copperhead" allegation, no partisan statement manufactured to aid them in a popular canvass. The facts and figures are given from the books of the Treasury, and can be relied upon. They cannot be disproved.

What has become of this immense sum?

To what purpose has it been applied?

How has it been squandered?

The debt has constantly increased for months.

Is that to continue?

Are the people to be taxed as they are now for all time to come; and never to see the debt reduced or paid off?

When will we see economy practiced by the Government?

When will some wise financial system be adopted?

How long are we to endure the rule of the set of thieves and public plunderers who are expending all the money wrung from the toil and sweat of the masses, and constantly increasing the debt?

The people are asking themselves these questions?

There can be but one answer to them.

Not until the Radicals are turned out of power will there ever be a change.

Let the tax-ridden masses remember that when they go to vote.

THE STATE PAPER PRINTING FRAUD.

A correspondent of the Lancaster *Intelligencer* says, that the parties to whom the contract for furnishing the State Printing Office with paper, for the ensuing year, has been awarded, receive several cents per pound more than other parties offered to furnish it for. This will make a difference against the State of *Ten Thousand Dollars!* The contract was awarded by Mr. Youngman, the State Superintendent of Public Printing, an appointee of Gov. Geary, and *approved by Gen. Hartranft, the Auditor General.* As General Hartranft is now before the people, as a candidate for re-election, his friends should clear up this matter, else the people may take it into their heads to vote *en masse* for his Democratic opponent, honest Charley Boyle. The *eclaircisement* cannot come too soon, as it is already alleged that the extra Ten Thousand are to go into the pockets of the Radical State Committee, to be used as an electioneering fund in behalf of Gen. Hartranft.

THE Chambersburg *Valley Spirit* thus strongly and gratefully presents the obligations of the Democratic party to the Hon. John Cessna. Chief Justice Chase, Fessenden, Trumbull and the rest did what they could, but their services would have been of no avail without this Democratic pioneer:

But the strongest point of all in Cessna's favor remains to be stated. We fear our Republican friends will not appreciate it as they ought to. *Cessna saved President Johnson from being convicted and removed from office.* Strange as this may seem, it is nevertheless true to the very letter. Bedford and Somerset counties had been made a Representative district with two members. Cessna was one of the Democratic candidates in 1861. He had a majority in Bedford county, but the majority in the district was largely against him. The certificate of election was given to the Republicans. Cessna contested the seat of the member from Bedford, on the ground that the apportionment bill which connected Bedford with Somerset was unconstitutional. He claimed that Bedford herself formed a Legislative district with one member, and that as he had received a majority of the votes cast in the county, he was entitled to the seat. *He won it*, and this separation of Bedford from Somerset gave the Democratic party a majority *of one in the Legislature that* elected Mr. Buckalew to the United States Senate, and Mr. Buckalew's one vote saved President Johnson from being turned out of office! Cessna voted for Buckalew and elected him by a majority of one, and Buckalew voted *not guilty* on impeachment and acquitted the President by one vote.

WHO WARMOUTH IS.—Warmouth, the blatant fellow who has written a letter to President Johnson, demanding that a large number of troops be immediately sent to Louisiana, was a bush lawyer without practice in Illinois when the war began. He entered the army, but was dismissed from the service by General Grant for "*lying* and conduct unbecoming an officer and a gentleman." He went to New Orleans, and under the rule of Butler managed to do considerable petty stealing. He secured the Radical nomination for Governor and was elected by bayonets and negro votes.

Senator Harris, of Louisiana, who is still in Washington, contradicts most emphatically the lying letter of this dirty carpet-bagger, and declares that the State is in a peaceful condition, and that there is no need for any increased military force.

THE proposition is seriously entertained among the Republican National Committee to have their National Convention re-assemble, receive Grant's resignation, which he stands ready to give in, and nominate a new candidate for the Presidency. The reason given is, that Grant has already shown his entire unavailability, and possesses no points on which the party can rally even in a respectable minority in this canvass. The Convention, be it remembered, did not adjourn *without day*, but adjourned subject to the call of the National Committee.—*N. Y. World.*

ANDERSONVILLE PRISON.—That distinguished delegate to the Chicago Convention, Joe. Brown, rebel Governor of Georgia, the wretch who founded the Andersonville prison, intends to have the concern fixed up as a place for holding negro Grant meetings. Over the entrance will be posted, in large letters, Grant's order to Butler to stop the exchange of prisoners, which was the sentence to a horrible death of thousands of the nation's bravest and best.

CONVERSIONS TO GRANT AND COLFAX.—Joe Brown, the founder of the Andersonville Prison.

Horace Greely, bail for Jeff. Davis.

Three Andersonville Prison Guards.

When any more shall be announced, we will record them.

THE cost of the standing army in the Southern States, as reconstructed by the Radicals, was over eighteen millions of dollars last year. White men, pay your taxes!

DEATH OF THADDEUS STEVENS.

WASHINGTON, August 11.—Hon. Thaddeus Stevens died at precisely 12 o'clock to-night at his residence in this city on Capitol Hill. Simon Stevens, Thaddeus Stevens, Jr., a nephew, and his housekeeper, Mrs. Smith, were at his bedside; also Sister Loretta and Sister Geneviere, of the Providence Hospital, and J. Scott Patterson, of the Interior Department, and the servants of his household. Breathing his last he passed away quietly and calmly without a struggle, as though falling asleep.

The remains will be interred at Lancaster, on Monday.

GRATIFYING REPORTS.

The Certainty of a Democratic Victory in November.

WASHINGTON, August 5.—Advices received by the Democratic Congressional Resident Committee are of the most cheering character from every portion of the country. In Boston the Democrats expect to carry the two city Congressional Districts, and the city for Seymour and Blair. John D. Thompson, Chairman of the Ohio State Democratic Central Committee, writes:

The prospects in Ohio are very encouraging, and I feel satisfied we will carry the State. The nomination of Seymour gives universal satisfaction, and creates much enthusiasm. I have but little doubt that Seymour and Blair will be elected. The Democracy everywhere are ready to buckle on the harness, and go in to win.

From Desmoines, Iowa, a correspondent writes that during the thirteen years he has resided there he never knew the Democracy to start upon a campaign with more general good feeling and sanguine expectations.—In Michigan the Democrats report that they are thoroughly organized and are certain to carry the State against Radicalism, negro-suffrage, and prohibition laws. The reports from Nebraska and Wisconsin are equally encouraging.

VEERING.—A change has come over the spirit of the New York *Herald's* dream since the election in Kentucky, following the election in Oregon. The *Herald* says:

Taking these two States as an example, we will find that the people are not abandoning their hostility to the unwise and dangerous policy of the ruling faction, which during three years of peace has increased the national debt and kept up war prices and war taxation. The Kentucky election has taken place since the Presidential nominations of both parties were made; and yet so far from the nomination of the Radical Convention strengthening the backbone of the faction, or the nomination of Seymour and Blair weakening the spinal column of the Democracy in that State, they have turned events the other way. These results are but the early indications (the skirmish fire as it were) of the great revolutionary battle which is about to open. * * * The expression of anti-Radical sentiment in the late elections in Kentucky and Oregon is but the precursor of a great counter-revolution upon the verge of which the country stands this moment.

GENERAL BUTLER A CANDIDATE FOR RE-ELECTION.—General Butler has written a letter to Charles D. Howard, editor of a local paper in his (Butler's) district, in Massachusetts, in which he announces himself as a candidate for re-election to Congress. There will, it is stated, be a powerful influence brought to bear, not only to defeat his election, but to prevent his nomination by the Republican convention. His rival will be Gen. Wm. Schouler, whom Butler had removed from the Adjutant General's office in Boston on account of writing a letter against him when he first became a candidate for Congress.

POLITICAL BREVITIES.

—General Enthusiasm and Gen. Grant do not run on the same ticket.

—A Democratic club has been formed in Galena, Ill., the home of the "tanist."

—"One money for all classes. Taxation must be equalized."

—Queen Victoria, it is said, believes in spirits. So does Grant.

—Some of the Radicals are very low —one of them is Brownlow.

—The tax on whisky has been reduced to accommodate General Hiram Grant on his Western tour.

—An admirer o. Hiram Ulysses Grant says "he is rich in stable common sense." That means he can "talk horse."

—The Radical editors are picking at our platform—but it is too strong a platform to be damaged by Radical picks.

—The Rads hurrah for Grant and Victory! If they take care of Grant, the Democrats will attend to Victory.

—The wild man of the Manitou Island has been chased into Lake Michigan and drowned. One vote less for Grant.

—The President of the "Loil League," at Anderson, Texas, is in jail for stealing three hundred gold dollars.

—Here is the whole Presidential contest in a nutshell:

Radical Platform.	Dem. Platform.
The Nigger.	The White Man.

—The complaint comes from Missouri Radicals that the soldiers stationed there distributed Democratic tickets on election day. That looks blue for Grant.

—The Radicals affect great unconcern about the Kentucky election. "Only a little shower, Mr. Noah."

—The Chicago *Post* recently considered, "Can a Democrat be saved?" and answered, "Hardly." We beg to inquire then, "*If* the Democrats can scarcely be saved, how shall the Radicals appear?"

—The new name for the negro army is "constabulary." Great Britain's Ireland has constabulary, and why shouldn't our Irelands have them, too? Ekal rights.

—The Democratic party wants nothing but a fair vote. The Radicals want white disfranchisement, test oaths, military surveillance, a carpet-bag registration, and Wade and Colfax to count the electoral votes.

—A member of the bogus Senate of Alabama is an ex-convict from the Georgia Penitentiary, and a member of the bogus Georgia House is an ex-convict (horse-thief) from the Alabama Penitentiary. These things tend to knit us more closely together.

—Kentucky does not lead in the great Democratic movement. She follows California, Oregon, Connecticut, Pennsylvania, New York, and New Jersey. Kentucky shows how high the tide is rising.

—"Bloated bond holder" is the elegant and expressive epithet of Thaddeus Stevens. After creating these very bonds, he shows very bad taste in calling the holders hard names.

A CROWD of negroes tried to break up a Democratic meeting in Richmond, Va., a few nights ago, and got the worst of it.

On motion, a committee to report resolutions was then appointed, as follows: Capt. S. H. Eicholtz, Dr. W. J. McClure, Amos Lefever, Jacob Klunk, and Thomas G. Neely.

On motion, H. D. Wattles, Esq., was appointed Chairman of the County Committee for the ensuing year.

Preliminary nominations were then made, after which the Convention adjourned until 1½ o'clock.

At the designated time the Convention re-assembled, and proceeded to ballot for candidates, with the following results:

Wm. McClean, Esq., of Gettysburg, was nominated without opposition for Congress.

Joseph P. McDivit, Esq., of Liberty township, was nominated without opposition for the State Senate.

In the above list the names of Committeemen for five of the districts are lacking. They were either not handed in or the papers mislaid. The Secretaries desire that the Delegates of such districts forward the names of Committeemen to the COMPILER office, that a complete list may be published.

The committee on resolutions, through their chairman, Dr. McClure, made the following report, which was unanimously adopted, with cheers:

Resolved, That we hail with unbounded satisfaction the nomination of HORATIO SEYMOUR and F. P. BLAIR, for President and Vice President of the United States, upon a platform of principles earnest, sound and patriotic; and heartily endorse the nomination of CHAS. E. BOYLE and Gen. W. H. ENT, for Auditor General and Surveyor General of Pennsylvania.

Resolved, That the Reconstruction measures of a Radical Congress, odiously partisan in every feature, are destructive of the Constitution of the United States, and the liberties of white citizens, revolutionary, tyrannical and void.

Resolved, That the question of suffrage constitutionally belongs to the several States, and the attempt by the Radicals to force negro suffrage upon unwilling States by Congressional enactment is violative of the rights of the people, a usurpation of power, and the base means to perpetuate Radical rule.

Resolved, That the unprecedented national debt, extravagance, reckless expenditure of the public funds, the corruption and partisan villainy of Radical rule, admonish the American people to hurl them from power, in order that the onerous taxes wrung from the sweat of the laborer may be lessened and national prosperity smile all over our country.

Resolved, That we demand one currency for the Government and the people, the laborer and the officeholder, the producer and the bondholder, and equal taxation of every species of property, including government bonds and other public securities.

Resolved, That we heartily endorse the able and patriotic efforts of Hon. Chas. R. Buckalew, in the United States Senate, to preserve the Constitution from Radical assaults, and to preserve intact and inviolate constitutional liberty to the American people.

Resolved, That we return thanks to Nicholas Heltzel, Esq., for the honest and faithful discharge of his duties while a Representative in the Legislature of the State.

Resolved, That this convention pledges its members to the earnest and hearty support of the ticket this day nominated, and that we will use all honorable efforts to secure its triumph.

The following Congressional Conferees were then selected: Messrs. Samuel Wolf, Abraham Krise and Amos Lefever.

And the following Senatorial Conferees appointed: Messrs. Moses McClean, Adam Rebert and S. H. Eicholtz.

Joseph L. Shorb, Esq., was appointed Delegate to the next State Convention

On motion, the Convention adjourned *sine die*.

Local Department.

TOWN, COUNTY AND SURROUNDING COUNTIES

Seymour and Blair Club.—The Democracy of this borough had a spirited meeting at the Globe Inn, on Saturday evening, to elect delegates to the County Convention and organize for the campaign. Sheriff Hann was called to the Chair, and Messrs. George Geyer, John Kuhn and Philip Krickser were appointed Vice Presidents, and Major D. J. Benner and Cornelius Daugherty Secretaries. The immediate formation of a Seymour and Blair Club was resolved upon, and a Club roll opened. Nearly one hundred signatures were obtained on the spot. W. A. Duncan, Jacob Troxel and H. J. Stahle were appointed a committee to report a Constitution and By Laws, to be submitted to another meeting, at the same place, to-morrow (Saturday) evening. It is hoped that the friends of Seymour and Blair in the borough will turn out to a man.

Premiums.—The list of Premiums to be awarded at the next Fair of the Adams County Agricultural Society, is printed in this issue. It will be noticed that the premiums have been increased in nearly every department, in many cases a hundred per cent. But for the fact that the Society is in debt, they would have been made larger yet. However, this will come in time, after the necessary improvements shall have been paid for. For the present, the premium list is liberal. The management hope that the citizens of the county will immediately enter upon preparations to make this even a more successful Fair than that of last year. County pride, if nothing else, should stir up general interest in its behalf.

Narrow Escape.—One day last week, as two little sons of Mr. Lewis A. Bushman, of Cumberland township, were playing on a pile of unthreshed oats in the barn floor, one of them met with a painful accident. In sliding down from the top, he fell into an iron fork, one of the tines of which entered his right cheek and came out at the temple. Fortunately it passed along on the outside of the bone; otherwise the accident would doubtless have been fatal. His little brother, with unusual presence of mind in one so young, promptly pulled out the fork, and then reported to his parents. The injured one did not suffer much, and next morning was lively again. The escape was truly a narrow one.

Improvements.—Improvements are in progress all over town, and more are in contemplation.

The double cottage on the College Campus is looming up handsomely—as is John Rupp's cottage, on Baltimore street.

The houses of George H. Swope and Jas. Wilson, on Chambersburg stree, are about finished. Henry McDaniell's two-story brick is under roof.

Mr. Koser's brick house, on South Washington street, is going up, and Jacob Stock's three-story brick, near by, is about to be commenced. Major Benner's double house is under roof.

The front to Agricultural Hall is progressing well, and Capt. Chritzman is certain of having it completed by Fair time.

Work on the Globe Inn, on York steet, is progressing. Simon Codori is about making further improvements on the old Swope property.

Jacob McDannell's house, on West Middle street, has the plasterers at work on it. Mr. Bart is preparing to go ahead at once with his.

Samuel Herbst is having the cellar dug for a handsome brick residence on Chambersburg street, adjoining Dr. Schmucker. Dr. Hill is raising his dwelling another story.

There are many other improvements in progress, some of which have heretofore been noticed, and others probably overlooked. Some day, when leisure may permit, they will all be given due mention.

Pic Nics.—A grand Pic Nic will be held in King's Woods, near East Berlin, on Saturday, the 22d of August instant, day and evening. The East Berlin and Littlestown Brass Bands will be present. Refreshments on the ground.

A Harvest Pic Nic will come off at the Cashtown Springs, on the same day—to be continued during the evening. Suitable music will be provided —and Refreshments on the ground.

The Union Sunday School of Bendersville will have a Basket Pic Nic in Bender's Grove, half a mile south of Bendersville, on Saturday, the 29th of August. The public are invited.

Court.—The August term of Court will commence next Monday, and doubtless continue through the week. About the usual number of cases are down for the Common Pleas, whilst in the Sessions the business promises to be rather heavy.

By the way—Court time always affords many opportunities for sending money to the printer. Delinquent, think of this, and then "do as you would be done by."

Mare Stolen.—A mare belonging to David P. Beitler, of Mountjoy township, was stolen on Sunday night, since which nothing has been heard of her. A stranger supposed to have been a "partner" of the thief, is now in the county jail. A reward of $30 for the return of the mare and $200 for the arrest and conviction of the thief is offered by the York Insurance Company, in which the mare was insured.

Property Sales.—Henry Bucher has sold to T. C. Norris the one and a half story brick dwelling on York street, adjoining Jacob Troxel.

I. N. Durborow has purchased 53 acres of land from John Rebert, near the Two Taverns, for $1,400, and is erecting a two-story weatherboarded dwelling house thereon.

College Commencement.—The annual Commencement of Pennsylvania College, just over, attracted many strangers, giving the town an unusually lively appearance. The several exercises occurred in the following order:

Sunday morning, Baccalaureate, by President Valentine; evening, Address before Young Men's Christian Association of the College, by Rev. Dr. C. W. Schaeffer, of Germantown.

Tuesday afternoon, Holman Lecture on the Augsburg Confession, by Rev. Dr. Schmucker; evening, Address before Alumni of the Seminary, by Rev. S. A. Holman, of Philadelphia.

Wednesday, Junior Exhibition—Oration, by J. J. Brinkerhoff, Gettysburg, on "Waste of Mind;" Jacob Neff, Philadelphia, "Milton's Satan;" J. A. Clutz, Taneytown, "Eloquence of Decay;" J. A. Tomlinson, Bedford, "Conflict;" Horace Alleman, Selinsgrove, "The Living Dead;" J. W. Humrichouse, Baltimore, "The Inner World;" J. F. Cressler, Shippensburg, "Atheism;" Augustus Schultes, Berne, N. Y., "American Liberty;" T. R. Beeber, Muncy, "Tithonus;" M. L. Heisler, Salona, "The Positive Character;" F. R. Fetshans, Indiana, "The Negative Character;" J. M. Finkbiner, Vincent, "Solitude;" L. G. Wile, Philadelphia, "Hamlet," W. S. Heindel, York, "Dreams;" J. W. Gross, York, "Success in Life;" G. F. Behringer, New York City, "Evils of Materialism;" E. T. Horn, Catasauqua, a poem, "St. Mercurius."

Wednesday afternoon, Address before the Philo. Society, by Rev. Dr. Edwards A. Park, of Andover, Mass., a finished production, and faultlessly read. Evening, Address before the Alumni of the College, by Rev. G. Parson, of Milton.

Thursday morning, Commencement. W. C. Stoever, Gettysburg, Latin Salutatory; J. W. Richard, Winchester, Va., "Last Days of Queen Elizabeth;" G. S. Eyster, Gettysburg, "Personal Honor;" A. J. Erdman, Macungie, Greek Oration; R. F. McClean, Gettysburg, "Conscience and Law;" D. L. McKenzie, Duncannon, "National Recollections;" L. M. Hellman, Kittanning, "Intellectual Power of Faith;" E. S. Breidenbaugh, Gettysburg; "Value of Great Men;" W. F. Hill, Gettysburg, "Pacific Railroad;" A. S. Hartman, Littlestown, "Cardinal Wolsey;" J. Rhone, Centre Hall, "Saracen Civilization in Spain;" J. W. Hay, Gettysburg, "Charles Dickens;" P. K. Erdman, Centre Valley, Valedictory.

A. J. Erdman received the first honor, P. K. Erdman the second, W. C. Stoever the third, and E. S. Breidenbaugh and J. W. Richard the fourth. P. K. Erdman received the Graeff prize of thirty dollars for writing the best essay on Shakspeare's "Merchant of Venice." The Junior medal was presented to E. T. Horn, of Catasauqua, for greatest proficiency in the Latin language. The Freshmen prize of thirty dollars was equally devided between Benjamin Kurtz, of Baltimore, and F. G. Knapp, of Martin's Ferry, Ohio. Degrees were liberally dealt out. The performances of the young men (Seniors and Juniors) were generally creditable; and the music, by the Philharmonic Orchestra of York, under Prof. Bentz, gave decided satisfaction.

Liberal Bequests.—Davis Pearson, Esq., of Philadelphia, recently deceased, left to Pennsylvania College $20,000, in stocks, to endow a Professorship. He also left $15,000 to Rev. Dr. Hutter's church, in Philadelphia, to build a new church edifice.

State Fair.—We have received the Premium List of the Pennsylvania State Agricultural Society for its sixteenth annual exhibition, which will be held in Harrisburg on the 29th and 30th of September, and the 1st and 2d of October, 1868. We see that this county has two representatives on the committees, to wit: Mr. H. J. Stahle, on class 44, Mercantile Displays; and Mr. McPherson, on class 46, Unenumerated Articles.—*Star.*

Fell from a Ladder.—A son of Franklin Osborn, of Straban township, on Wednesday week, had one of his arms broken in two places by falling from the ladder in the threshing floor. Dr. Melhorn, of New Chester, was promptly called in, and the broken arm set.

A Bear on his Travels.—The Newville *Star* says that on Wednesday last, as the Mail train was on its way East, a large black Bear crossed the track, between Carlisle and Mechanicsburg, a very short distance ahead of the train. It had doubtless been driven from the mountains and was making its way across the valley to the North.

Important to Tobacco Dealers.—Under an Act of Congress passed July 20, 1868, every dealer in tobacco and cigars having more than twenty pounds of tobacco, or ten pounds of snuff, or more than five thousand cigars, is required to make an inventory of the same immediately, and deposit it with the Assistant Assessor of his division, who will swear the party to the truth of his return. The appraisement must be made on the first day of each month thereafter. Heavy penalities are attached. Another beauty of Radicalism.

Corner-stone Laying.—The corner-stone of the new German Reformed Church at Littlestown will be laid tomorrow.

Ascension.—John A. Light is announced to make a Balloon Ascension at Harrisburg on Wednesday next.

THE Springfield *Republican*, a Republican newspaper published in Massachusetts, says that "the choice of Presidential electors by the Legislatures of the Southern States would be a fraud upon the people." That is exactly the reason why the Radicals propose to adopt it.

If our friends will use preparations for restoring gray hair they should use the best in the market. Our attention has lately been call to an article which has an exsentive sale and a very high reputation, known as Hall's Vegetable Sicilian Hair Renewer, and we are inclined to think that it possesses more desirable and less objectionable qualities than any other in the market. It restores gray or faded hair to its original

Farming and Housekeeping.

WHAT FARMERS MUST KNOW.

The *Rural World* says:

The farmer, like the business man, must *know* what he is doing; he must have some pretty decided idea of what he is to accomplish—in fact, must calculate it beforehand.

He must know his soil—that of each lot; not only the top, but the sub-soil.

He must know what grains and grasses are adapted to each.

He must know *when* is the best time to work them, whether in the fall or spring, or whether the next summer following.

He must know the condition in which the ground must be, when plowed, so that it be not too wet or too dry.

He must know that some grains require earlier mowing than others; and what those grains are.

He must know how to put them in.

He must know that it pays him to have machinery to aid him instead of muscle.

He must know about stock, and manures, and the cultivation of trees and the small fruits, and many other things; in a word, he must know what good, experienced farmers know, then he will not guess—run no risk.

How to Fit Collars to Horses' Shoulders.—It is very important to have a collar fit nicely and snugly to the shoulders of the horse. It enables him to work with a great deal more strength. It prevents galling and wounding, as the friction is avoided. Collars are so made, or should be so made, as to throw the chief force on the lower part of the shoulder. The horse can apply but little strength on the upper part, and for this reason breast collars are coming greatly into vogue—as the strength is exerted on the lower part of the shoulder. But we started out to tell our readers how to make a new collar fit the shoulder of the horse. The collar should be purchased of the proper size; just before putting it on, the first time, immerse it in water, letting it remain about a minute, and immediately put it on the horse, being careful to have the hames so adjusted at the top and bottom as to fit the shoulder, and then put the horse to work. The collar, by being wet, will adapt itself to the shoulder, and should dry on the horse. When taken off it should be left in the same shape it occupied on the horse, and ever after you will have a snug fitting collar and no wounds.—*Valley Farmer.*

Destruction of Stumps.—We have heard of two methods for getting rid of stumps, which, as they appear feasible and inexpensive, we hope some reader will try, and report upon. Bore with a two-inch auger to the heart or centre; fill the cavity thus made with sulphuric acid, or with crude petroleum. In the first case, the acid becomes the destructive agent within a few months; in the latter, when the stump becomes saturated, as it will, with the oil, it is fired, and will then burn out to the last particle, like a candle.

Broken Vessels.—To a half pint of milk, put a sufficient quantity of vinegar to curdle it; separate the curd from the whey, and mix the whey with the whites of four eggs, beating the whole well together; when mixed, add a little quick lime with a sieve, until it acquires the consistency of a paste. With this cement, broken vessels or crocks can be repaired; it dries quickly, and resists the action of fire and water.

Tomato Catsup.—Take ripe tomatoes (the small red ones are preferable,) wash but not skin them, and thoroughly boil one hour, and then put them through a half sieve, and to one quart of juice add one tablespoonful of cinnamon, one of black pepper, half cayenne, half of nutmeg, one of good mustard, two-thirds teacupful of salt. Boil three hours and then to one quart of juice add one pint of pure cider vinegar. Boil half an hour longer; bottle hot and seal up. This catsup will keep for years, and not require "shaking before using." A porcelain kettle should be used.

The State of Tennessee declares its utter inability to pay the interest on the State debt, and the so-called Legislature has passed a bill providing for the funding of both principal and interest due and becoming due for three years. This is the State which is quoted as a model of Radical reconstruction. Radicalism has reduced the State to absolute beggary. The Radical Governor, in his alarm lest the people may take the State from the hands of the money-squanderers at the polls next November, is trying to organize a militia of 20,000 strong to control the ballot-boxes. How does the beggar propose to pay his troops?—The treasury is depleted; the State cannot even pay the interest on its debts; and the Governor talks about maintaining a standing army. Possibly a Congressional "appropriation" will meet the case, but the tax-payers of the North will hardly be willing to devote their money to the support of Brownlow's black regiments in Tennessee.

On the 20th the Democrats in Albany, Gentry county, Missouri, held a meeting to elect delegates to the State and Congressional Conventions. They were set upon by some white and black negroes, and the American flag at the head of the column was seized, and torn, and trampled on by trooly loil Radicals. We are happy to state that the latter were speedily whipped and driven to their holes.

A soldier of the Third New York Artillery who is at present engaged in selling campaign badges, informs the Syracuse *Courier* that the Seymour badges go like hot cakes; but that he is unable to dispose of his Grant badges. In Jamesville, Wednesday, he sold 241 Seymour badges and not a single one of Grant, although he was profusely covered with both kinds. On the cars between Cortland and Syracuse he sold twenty-seven Seymour and only two Grant badges.

Horace Greeley says of Thaddeus Stevens:

"No swindler that the world has known ever perpetrated a fraud so gigantic as that he meditates."

As a Republican opinion of the honesty of the leader of the Republican party, that will do. Old Thad retorts by calling the *Tribune* a "half secession" paper, and by declaring that a majority of the journals of that party are "in the pay of the bondholders."

"Do you keep accounts, Dick?"

"Yes, I reckon."

KISSINGER & SHIREMAN,

NO. 2 WEST MARKET STREET, *YORK, PA.,*

AGENTS AND DEALERS IN PIANOS, CABINET ORGANS, MELODEONS, AND ALL KINDS OF *MUSICAL INSTRUMENTS,*

respectfully inform the public that they are prepared to furnish Pianos of the following manufacture or of any other make that may be preferred:

Wm. Knight, Reiker & Schmidt, Chickering & Son, Hallet, Davis & Co., Hardman, Gale & Son, Knabe & Son, Estey & Co.

CELEBRATED COTTAGE, HARMONIC AND BOUDOIR *ORGANS AND MELODEONS.*

These Instruments stand unrivalled by any thing found in this country or in Europe, as is admitted by all impartial judges. The most eminent Pipe Organ Builders and Performers, the last to discover excellence in reed Tone, pronounced them vastly superior to all others for exceedingly quick articulation and round Tone, the essential feature in instruments of this class. We invite the severe scrutiny and criticism of all.

PATENT VOX HUMANA TREMOLO.

This late and most wonderful invention (so acknowledged by all leading artists) will be found only in the Estey Instruments. In attempting to describe the effect of this stop, we are at a loss for language. Its beauties cannot be written, but must be heard to be appreciated. By this stop an ordinary performer can produce an effect which requires a life time of practice for an artist upon a violin. It entirely changes the reed Tone, giving the sympathetic sweetness of the human voice, making it so delicious and pure that it never fails to enchant the listener.

THE HARMONIC ORGAN

for Churches, Public Halls and Parlors has a powerful sub-Bass with independent reeds, Harmonic attachment and Vox Humana Tremolo, and is believed to be the most powerful reed organ made, being nearly equal to a Pipe Organ of three times the cost.

All instruments warranted for five years.

☞ BEARS NO LANDS engaged with instruments and music at reasonable terms.

A liberal discount allowed for Churches and Sabbath Schools.

☞ Instructions given both in Vocal and Instrumental Music, at our rooms, and at pupils' homes, either to individuals or classes, on reasonable terms.

"Our OWN MAKE" of "CHAMPION SKIRTS" are in every way superior to all other Hoop Skirts before the public, and only have to be examined or worn to convince every one of the fact. Made of the best Genuine Imported English Steel Springs, very superior tapes, and the style of the metallic fastenings and manner of securing them surpass for durability and excellence any other Skirt in this country, and are lighter, more elastic, wear longer, give more satisfaction, and are really cheaper than all others. *Every lady should try them.* They are being sold exclusively by Merchants throughout this and the adjoining states at very moderate prices. If you want the best ask for "Hopkins' Champion Skirt." If you do not find them, get the merchant with whom you deal to order them for you, or come or send direct to us. Merchants will find our different grades of Skirts exactly what they need, and we especially invite them to call and examine our extensive assortment, or send for Wholesale Price List.

CARRIAGES AND BUGGIES.

TATE & CULP are now building a variety of

COACH WORK,

of the latest and most approved styles, and constructed of the best material, to which they invite the attention of buyers. Having built our work with great care and of material selected with special reference to beauty of style and durability, we can confidently recommend the work as unsurpassed by any, either in or out of the cities.

All we ask is an inspection of our work to convince those in want of anything of the vehicle, that this is the place to buy them.

REPAIRING IN EVERY BRANCH done at short notice and on reasonable terms.

Give us a call at our Factory, near the corner of Washington and Chambersburg streets, Gettysburg.
